

REMARKS

The above-identified application was allowed in the Notice of Allowance mailed on July 21, 2006. This Amendment under 37 C.F.R. § 1.312 is being filed before or with the payment of the Issue Fee. The Notice of Allowance includes an Examiner's Amendment to claim 21. The Notice indicates that authorization for the Examiner's Amendment was given in a telephone interview with Paul A. Fournier on July 18, 2006. Applicants respectfully submit that the Examiner's Amendment to claim 21 in the Notice of Allowability does not accurately reflect the authorized amendment in that the Examiner's Amendment omits the word "detection" from the original claim as presented in the Amendment filed on May 22, 2006. The instant Amendment under 37 C.F.R. § 1.312 amends the Examiner's Amendment to include "detection" and properly reflect the authorized amendment to claim 21.

Applicants believe that no fee is due in connection with the filing of this Amendment under 37 C.F.R. § 1.312. However, if any fees are due in connection with the filing of this paper, please charge such fees to our Deposit Account No. 50-0573.

Respectfully submitted,
